

## 700-900 MHz Yagi Antenna

301111

SKU: 30644    UPC: 81398600191

The Wilson 301111 700-900 MHz Yagi Antenna is specifically crafted to enhance cellular reception across the 700, 800, and 900 MHz frequency bands. This directional Yagi antenna, featuring a 50 Ohm impedance and an N-Female connector, is designed for both pole and wall mounting. It comes complete with all necessary mounting hardware, making installation straightforward and efficient. Its robust design is ideal for improving the reach and quality of cellular communications in various settings.

### Features

- Connectors: N-Female
- Dimensions: 32.75 x 7.75 x 2.75 in
- Frequency Range: 700/800/900 MHz
- Impedance: 50 Ohm
- Weight: 2.21 lbs
