## Dual TV Ceiling Mount for 37" to 70" Displays

LC2A-B1

SKU: 20206    UPC: 793795000000

The SANUS LC2A is a dual-sided tilt and swivel ceiling mount for 37" – 70" LCD and plasma TVs. This mount is a great choice when wall mounting is not possible. Its solid heavy-gauge steel construction offers a sleek, high-tech look while providing extreme strength and durability. SANUS' Virtual Axis™ tilting system provides easy adjustment of viewing angle with just the gentle touch of a finger. Mount can be rotated  $\pm 6^\circ$  after installation to ensure TV is perfectly level, even with off-center wall studs. Ceiling mount accessory kits offer multiple options to adapt to most surfaces. Universal mounting pattern fits virtually any 37" – 70" flat-panel TV. Each mount holds up to 130 lbs / 59 kg for a total mount capacity of 260 lbs / 117.93 kg. Mount now fits TVs 37" – 70", and all current LC2A models have been tested for compatibility with the updated size range.
