Wireless Speaker - White

HOME 350

SKU: 26368 UPC: 883795004954

The new Denon Home 350 plays all your music wirelessly in stereo with the reference quality you expect. Group other products with HEOS Built-in such as AV receivers, sound bars and speakers to fill your home with detailed, expansive sound. Two large woofers and an array of premium drivers fill your entire home and can even be amplified by pairing with additional Denon Home speakers.

Tuned for balanced, stereo sound by the Denon sound master, the Denon Home 350 has enough power to clearly reach any corner of any room in your home. With a single touch of its six preset buttons, stream millions of songs from your favorite streaming services or your own digital library throughout your home. Play ALAC, FLAC and WAV files up to 192kHz/24-bit, as well as DSD 2.8MHz and 5.6MHz tracks, or stream from Hi-Res services such as Amazon Music HD and TIDAL.
