Nest Mini (2nd Gen) - Charcoal

GA00781-US

SKU: 30220    UPC: 193575000657

Stay organized and entertained with this Nest Mini 2nd Gen smart home speaker. To make scheduling easy, it allows you to see your calendar and create reminders. You can access your favorite music and shows. More power and bass provide a richer sound. Control your connected devices with your voice for more convenience.

#### Features

- Better sound, all around, music sounds bigger and richer on Nest Mini, with more power and bass, ask your Google Assistant to play your favorite songs from Spotify, YouTube music, and more, or stream music from your phone to Nest Mini
- A little help with the Google Assistant, just ask and get the best of Google Weather, news, or almost anything, set timers and alarms, and with Voice Match, you can hear your personalized schedule, commute times, reminders, and more, so your day gets off to a good start
- Control your home with just your voice, dim the lights, pause the TV, or turn up the heat all with your voice, Nest Mini works with thousands of compatible smart devices, like lights, thermostats, and TVs, from your favorite brands, just say "Hey Google"
- Thoughtfully designed for every room, Nest Mini blends right into your home, it looks great on a nightstand, shelf, or countertop even on the wall, each color complements the entryway, living room, bedroom, or kitchen
