SKU: 8205    UPC: 80442802550

### 1-GANG, 2-PORT WALL PLATE, WHITE 10 Pack.

Single-gang flush mount wallplates offer field-configurable flexibility in an attractive single-piece housing. A choice of 1, 2, 3, 4 or 6 ports allows for a variety of configurations and future expansion if needed. The wallplates are fully compatible with all QuickPort connectors.

Port and station identification can be handled in a number of ways. Match the modules to the plate for a sleek look, or use different colors for port ID. Port designation labels are available for identifying different networks or port assignments for the wallplates.
