Meet the Echo Show 10 -Designed to move with you. Move around the room during video calls or while watching a TV show and the brilliant 10.1" HD screen will automatically turn to face you. You can stay focused on who you're talking to or what you're watching.

### Features

- Alexa can show you even more - With a 10.1" HD screen that's designed to move with you, video calls, recipes, and shows are always in view. The speakers deliver premium, directional sound.
- Stay in frame - Video call friends and family or take a picture while the 13MP camera with auto-framing and motion keeps you front and center.
- Smart home made simple - Set up compatible Zigbee and Matter devices without a separate hub. Ask Alexa to show you security cameras, control lights, and adjust thermostats.
- Take a look around when you're away - Securely access the built-in camera to remotely monitor your home anytime with the Alexa app or other Echo Show devices.
- So much entertainment - Ask Alexa to play your favorite shows, music, and podcasts from Prime Video, Netflix, Amazon Music, Spotify, and more.
- The ultimate kitchen companion - Get daily personalized recipes, cook along hands-free with step-by-step instructions, set timers, and add to your grocery list.
- Put your memories on display - Use Amazon Photos & Alexa for a picture-perfect pairing. You can turn your home screen into a digital frame, invite friends and family to share photos, and even take photos. Plus, Prime members get unlimited photo storage.
- Designed to protect your privacy – Amazon is not in the business of selling your personal information to others. Built with multiple layers of privacy controls including a mic/camera off button and a built-in camera shutter. Disable motion at any time.
