

ELURA

Blue Label Series by Sonance 8" Zero Bezel In-Ceiling Speakers

S8

SKU: 161024 UPC: 819932011998

Introducing the Elura S8 Blue Label Series by Sonance 8" Zero Bezel In-Ceiling Speakers, the pinnacle of audio performance and aesthetic sophistication. These speakers are designed to deliver an unparalleled listening experience while seamlessly blending into your living space.

The Elura S8 Blue Label speakers feature an impressive 8-inch polypropylene woofer, meticulously engineered to reproduce deep, impactful bass with remarkable clarity. Combined with a 1-inch silk dome tweeter, these speakers deliver crisp and detailed high frequencies, ensuring every note and sound effect is reproduced with astonishing accuracy.

Designed with a zero bezel, these in-ceiling speakers provide a clean and seamless integration into any room. The absence of visible grilles allows for a sleek and modern look that enhances the aesthetics of your living space without compromising on sound quality.

Blue Label is the collaborative effort of Elura and Sonance (Dana Innovations), the inventor of the in-wall speaker, to create a series of premium architectural speakers. Blue Label provides realistic, true-to-recording sound in every room of your home, regardless if you are listening to music or watching a movie.
