### Features

- **Control with the Google Home app.**

View live HD video, replay video recordings, talk to visitors, and more – all from the Google Home app. The Nest Cam (battery) requires a free Google Account and is not compatible with the Nest app or the Nest site.

- **Talk to who's there, even when you're not.**

If something happens, it alerts you, so you can decide to take action right from the Google Home app.\* Talk and listen through the camera, and if you need some help, you can call your local emergency service directly from the app.\*

- **Talk and Listen. Talk to who's there, from anywhere.**

Talk and listen to people through the built-in speaker and mic.\* Tell your kids to stop running in the house, or say hello to your dog, just for fun.

- **Get alerts that matter to you.**

Nest Cam shows you what's happening at home, and alerts you when it spots a person, animal, or vehicle.\* It can even recognize familiar faces and tell you who's coming and going.\*\*

- **See clearly in any light.**

See key details in all kinds of light. HDR helps with bright, high-contrast sunlight, and night vision gives you a clear image even in low light and darkness.
