SKU: 159955

UPC: 840136805588

Stream from all services and devices with WiFi and Bluetooth. Connect a turntable or other audio source using an auxiliary cable and the Sonos Line-In Adapter. Experience mind-bendingly realistic surround sound when you pair two Era 300 speakers with Arc and stream spatial audio with Dolby Atmos. Set up is easy, and control is even easier with the Sonos app, next-generation touch controls, and voice.

Take spatial audio experience above and beyond with the Era 300. Featuring six optimally positioned drivers all around the front, sides, and top to support Dolby Atmos Music, the breakthrough acoustic design projects sound from wall to wall and floor to ceiling, immersing the listener in every dimension of the song. No matter where or what is played, the listening experience is nothing short of extraordinary. Custom waveguides accurately disperse sound right, left, forward, and above, creating a sensationally spacious stereo soundstage that can be felt all around the room.
