eero's first device with 10 gigabit Ethernet, eero PoE Gateway delivers our fastest wired experience.

eero PoE Gateway can power up to seven eero PoE 6s - providing fast, reliable wired wifi throughout your home or business. And with eight PoE+ ports, eero PoE Gateway can also power other PoE-enabled devices, including computers, security cameras, or POS systems.

Features

- Power-over-Ethernet (PoE) enables wired connections throughout your home or small business
- Two 10 GbE ports support wired speeds up to 9.4 Gbps (upload and download)
- Eight 2.5 GbE PoE+ ports share up to 100W of pooled powers
- Guided setup and automatic security updates through the eero app
- Shelf or tabletop placement
