

PoE Adapter (2nd Gen) - White

B08GF9K2PK

SKU: 113491 UPC: 810019523489

Power over Ethernet Adapter (2nd Gen) provides power and a reliable, hardwired internet connection for Ring Stick Up Cam Elite or Ring Video Doorbell Elite in homes that don't already have a PoE connection. Simply connect the Power over Ethernet Adapter to your Ring device, a router or ethernet network, and a power outlet, for nonstop power and a reliable connection that you can trust.

Features

- Ensures your Ring device receives constant power for uninterrupted operation
- Provides a stable and reliable internet connection compared to Wi-Fi
- Eliminates the need for a separate power adapter if your network supports PoE
- Works specifically with Ring Video Doorbell Elite and Ring Stick Up Cam Elite
- Simple connection process to your Ring device, router, and power outlet
- Wired connection can potentially enhance video quality and reduce lag
- Wired connection might be more secure than Wi-Fi for transmitting video data
- Provides a reliable power and connection solution for your Ring device
