LUTRON

Lumaris Tunable White Tape Light Wire to Tape Connectors - 10 Pack

LU-CK1-TW

SKU: 150954   UPC: 78427631103

The Lutron The Lumaris tape light takes scene control to the next level, offering a simple and seamless way to add tunable white accent lighting to Lutron connected home projects.

Built on the ultra-reliable Lutron Clear Connect–Type X wireless technology, the Lumaris tape light is a native component within the Lutron platform including controls, apps, programming software, and Lutron Connect cloud services.

A complete Lumaris tape light solution consists of fieldcut tunable white LED tape, a wireless controller with integrated LED drivers, high-reliability punch connectors, dedicated wiring, and a plug-in power supply. Aluminum mounting channel and lens for LED tape sold separately by others.

Features

- Wire-to-tape connectors
- 10 pack
- Used to connect multiple LED tape strips
- For every wire-to-tape connector that is used on the output of a wireless controller, beyond 6, the maximum length of cable allowed is reduced by 6 in (152.4 mm).
