

Pico Paddle Wireless Control

PJ2-P2B-GWH

SKU: 149665 UPC: 78427681710

Introducing a battery-powered, paddle-style Pico remote to complement the Sunnata and Diva smart design. Give clients flexible, two-button, on/off control that can be mounted on a wall or pedestal.

Features:

- Exclusively with the Diva smart dimmer: Tap once for preset slider level, double tap for full brightness (may require firmware update for feature; hub required for update)
- Works with the entire Caseta family of products, including the original Caseta aesthetic dimmers and switches, the Diva and Claro smart aesthetics, lamp dimmers, and the outdoor smart plug
- Wallplate sold separately
