## 2.2 Channel 8K AV Receiver w/ HEOS Built-in

DRA-900H

SKU: 149663    UPC: 747192140212

With a powerful 100W per channel and HEOS built-in, the Denon DRA-900H 2-Channel Network A/V Receiver is an ideal centerpiece for powering your home's music listening and movie/TV watching experience. With HEOS-enabled speakers throughout your home, you can wirelessly stream the same song to all, or a different song to each, for whole home audio. Movies and TV shows look their best with up to 8K60 resolution support and 8K upscaling of 4K content, in addition to HDR10+ and Dolby Vision for dynamic contrast and vivid color. Even next-gen gaming is supported with technologies to deliver a lag-free experience. All of this and more can be controlled via remote, app, or your voice using Alexa, Google, or Josh.ai.
