R6.5STZ.2

SKU: 161023 UPC: 819932012513

Introducing the Elura R6.5STZ.2 Red Label Series 6.5" Dual Voice Coil In-Ceiling Speaker, a powerful audio solution designed to deliver exceptional sound quality and versatility. This speaker is meticulously engineered to provide immersive audio experiences in any room, offering the flexibility of dual voice coil technology.

The Elura R6.5STZ.2 Red Label speaker is designed to reproduce rich and dynamic sound with enhanced clarity and depth. The dual voice coil configuration allows for independent channel control, making this speaker perfect for applications where separate audio sources or multi-room setups are desired.

With a sleek and unobtrusive design, this in-ceiling speaker seamlessly blends into your living space. The zero-edge grille ensures a clean and modern look, complementing any interior decor while focusing on the immersive audio experience.

Elura Red Label is the speaker line that pioneered the quest for a no-nonsense, uncompromised sound, combined with the best aesthetics. Our design team compared the sonic and spectral signature of numerous architectural speakers in the industry, identified their deficiencies, and designed a new platform that ensures the Red Label series provides listeners with a stunning, audible experience.
