

Fusion X-Large Single Pole Flat Panel Ceiling Mounts

XCM1U

SKU: 38403 UPC: 841872159393

Mount your 60 to 90" display to the ceiling with the black Chief Fusion XCM1U Single Pole Flat Panel Ceiling Mount. It supports displays weighing up to 250 lb with 200 x 100 to 800 x 400mm mounting patterns. The mount will attach to separately sold traditional 1.5" NPT and select Chief CPA pinned ceiling plates and column systems. It provides -20 to 5° of tilt so you can achieve your preferred viewing angle.

Repeatability

Continuous tilt ranges with four set locking points eliminate guess work when adjusting multiple screens

Accessibility

Simple on/off connection for ease of installation and service

CENTRIS Fingertip Tilt

Easily adjust display using Centris fingertip tilt technology

Simple & Secure

Tool-free screen engagement with optional padlock security

Flexibility

Mount swivels to any preferred viewing angle
