

Pro Series Cat6 Unshielded Pass-Through RJ45 with Cap45 (Pack of 50)

S45-1601P

SKU: 143131

Simply45® is the industry-leading brand for RJ45 modular plug innovation and performance solutions. Our S45-1601P is the same as our S45-1600P except is packaged in a convenient 50-piece plastic clamshell. The Simply45® ProSeries introduces the exclusive Cap45® (PATENT 10,811,831 B1). Cap45® is an isolation cap/bar that snaps onto the front of the pass-through RJ45 plug after termination, covering the exposed wire ends. Cap45® prevents electrical shorting in the RJ45 socket due to improperly trimmed wires or in device sockets that may not be 100% compliant. With Cap45®, any electrical risks associated with exposed wire ends are now eliminated completely. Cap45® is a MUST-HAVE for all pass-through RJ45 modular plugs used in commercial and certified system terminations.

Features

- 3 Prong Pin Design with 50µ of True 24ct Gold Plating
- Solid and Stranded LAN Cables
- Straight-Line Wire Insert
- Improved Crosstalk Performance
- Crimp Tool Compatibility-S45-C100 or S45-C101
- Color Tinted RJ45 Modular Plugs
- cUL Listed, PoE/PoH Rated
- Compliant with Industry Standards: ANSI/TIA 568.2-D Class E, 1096-A; ISO/IEC 11801 Class E, 60603-7, 8877:1992; FCC
