## Features

- **NQ4 AI Gen2 Processor:** The power behind the 4K picture that actively improves the quality. Utilizing 20 specialized networks the AI-powered processor drives the intuitive Smart TV Hub, Dolby Atmos™ sound, and expertly upscaled 4K resolution.
- **Quantum Matrix with Mini LEDs:** Catch every detail in dark to bright scenes. Precise lighting from Mini LEDs boost brightness so not a moment is missed. It all works to make the picture that much more intense.
- **Infinity One Design:** A barely-there TV frame helps keep the focus on the screen. This minimalist design has an impossibly slim and sleek profile.
- **Neo Quantum HDR+:** See content come to life with remarkable picture quality and brightness. No exaggeration: the things on screen look true enough to touch. Absorb all the nuances of the latest Hollywood movies and the shows made for High Dynamic Range.
- **Anti-Reflection:** Watch everything with nearly no reflections and no distractions. Now entertainment can look as good in the morning as it does at night with the lights on. Anti-Reflection technology limits light distraction on the screen by reducing the glare.
- **Motion Xcelerator 144Hz:** Play games and content with smooth motion and virtually no lag or blur. Get uninterrupted action with crisp visuals rendered at top speeds, so one always have a seamless, non-stop picture.
- **Real Depth Enhancer Pro:** Experience depth and dimension on screen just like in real life. Real Depth Enhancer Pro finds the focal point in each frame and adjusts for a fully dimensional picture.
- **4K AI Upscaling:** Content instantly transformed to incredibly sharp up to 4K resolution. Whether streaming an HD movie, watching live sports, or looking back at home videos, experience it all transformed into sharp 4K resolution.
- **Samsung Tizen OS:** Stream top shows. Play games. Work out with a trainer. Do it all with Smart TV Powered by Tizen. Discover musthave apps and streaming services all just a few clicks away.
