Features

- **PurColor®:** See a wider spectrum of colors than traditional RGB models with PurColor. From green turf to an amazing sunset, enjoy true-to-life picture quality with our innovative color technology
- **4K Upscaling:** Get a clearer picture for shows and videos. 4K Upscaling transforms each pixel.
- **Motion Xcelerator:** Watch content smoothly while experiencing less lag and blur.
- **Object Tracking Sound Lite:** Hear 3D surround sound that follows the movement on screen using our incredible virtual top channel audio.
- **Mega Contrast:** Automatically adjusts the brightness and contrast and reduces the difference between light and dark areas.
- **HDR:** Take in an impressive spectrum of colors and fine details, even in the darkest scenes. Brightness and contrast are automatically dialed into their ideal levels in every frame so one can see the content as it's meant to be seen.
- **Q-Symphony:** Only Samsung gives the power to unlock incredible sound when you pair a Samsung TV with a Q-series or S-series soundbar.
- **Crystal Processor 4K:** See content as it was meant to be viewed, in dazzling 4K. The processor automatically transforms color, sound and more.
- **Samsung TV Plus:** Turn on and tune into free live TV with just a WiFi connection. From popular shows and movies to local news and world sports—Samsung TV Plus gives instant access to live streaming TV content to satisfy any interest, occasion or mood.
- **Samsung Tizen OS:** Stream favorite shows. Play games. Work out with a trainer. Do it all with Smart TV Powered by Tizen. Discover must-have apps and streaming services all just a few clicks away.
