The Ezlo Plus Smart Home Hub is designed with simplicity in mind. It enables control of the latest Z-Wave and Zigbee devices, as well as voice control of over 27,000 Wi-Fi devices paired to your Amazon Alexa or Google Assistant through the Ezlo Plus VOI platform, making it the only home controller you'll ever need.

Elevate your smart home hub experience.

Powerful enough to be stored in a rack room but elegant enough to be placed in a living room, the Ezlo Plus leverages the new Ezlo platform for an improved user experience and a faster, more efficient, highly customized Smart Home Controller.
