DU9000 98" 4K HDR Smart LED TV

UN98DU9000FXZA

SKU: 157116    UPC: 887276836409

Enjoy enhanced streaming capabilities and HDR color on a huge 98" display with the DU9000 4K HDR Smart LED TV from Samsung. Featuring Samsung's Mega Contrast with PurColor and Supersize Picture Enhancer, the DU9000 can produce over a billion shades of color for lifelike images that are optimized for the extra-large screen. Samsung's Crystal Processor 4K with 4K upscaling combined with Samsung's Motion Xcelerator 120 Hz allow you to experience smooth and crisp video, regardless of the source. Additionally, every member of the household will find built-in entertainment with access to smart TV powered by Tizen and Samsung's advanced Gaming Hub.
