

32-Channel 5MP TurboHD 5MP Analog HD DVR (No HDD)

DS-7332HUI-K4

SKU: 16820 UPC: 842571113747

Hikvision DS-7332HUI-K4 32-Channel 5MP TurboHD 5MP Analog HD DVR (No HDD) enables you to record from and manage up to 32 cameras. This DVR offers full channel recording at up to 5MP resolution. A BNC interface supports HD-TVI and analog cameras. Additionally, 16 IP cameras up to 8MP are supported. H.265+, H.265, H.264+, and H.264 video compression keep file sizes manageable while maintaining quality. The DVR supports four channels of audio recording and two-way audio communication via RCA. In addition, it has one VGA and two HDMI connections for video output with support for dual streaming to maximize bandwidth efficiency. The VGA and HDMI outputs transmit video at up to 1080p. The second HDMI connection can output up to 4K UHD resolution video.

Features:

- Self-adaptive HD-TVI/CVBS signal input
- Supports long-distance transmission over UTP and coaxial cables to a maximum of 3937' at 720p and 2625' at 1080p
