Advanced Full-Motion 4D® + Shift™ TV Wall Mount for 42" to 90" Panels

VLF828-B2

SKU: 160337 UPC: 793795539946

The Sanus Advanced Full-Motion 4D + Shift TV Wall Mount for TVs 42"-90" presents the newest technology from Sanus to bring your TV viewing experience to new heights. With the 4D™ + SHIFT height adjustment feature, you can enjoy up to 8 inches of up or down movement for precision TV positioning on the wall, making this mount an ideal solution for when mounting a TV above a fireplace mantle, above a TV console, or even when you have to position around a pre-existing outlet on the wall. This SHIFT feature also allows you to raise your TV at a later time to provide enough space to add in a soundbar or, accommodate seasonal decorations that may interfere with the screen of the TV.

Features

- Fine tune your setup with shift for up to 8 inches of height adjustment after installation to get your TV right where you need it
- Lower handle to assist in the movement of your large TV to the desired location, then simply tuck it away until next use
- Easily raise your TV up to keep your view unobstructed when adding a soundbar or decorations below the TV
- Adjust your TV up or down to the desired height despite outlets or obstacles on your wall
- Stylish design seamlessly blends with your TV and interior décor
- FluidMotion™ design provides unparalleled smoothness. Effortlessly extend, tilt and swivel your TV regardless of its weight or thickness
- Steady Set™ ensures your TV will stay exactly where you want it – no drifting or unwanted movement
- Places TV just 2.15" from the wall for a streamlined look that complements today's sleek TVs
- Tilts 5° up and 15° down with 46° of swivel left to right for a great picture no matter where you watch
- FollowThru™ cable management conceals and routes unsightly cables and power cords through the mount arm for a clean look
- This mount is rigorously tested for safety and performance, UL-listed and features a 10-year limited warranty
- We make installation easy with 5 days a week customer care, online installation tools, installation videos, and a comprehensive hardware pack to ensure compatibility
