

## Pan-Tilt Indoor Security Cam - White

B0CG2VS5FD

SKU: 157214    UPC: 840268955465

See all around your home and enjoy 360° coverage with the versatile Pan-Tilt Indoor Cam. Get a better view of what's up and what's down right from your phone with pan-tilt controllable via the Ring App, HD Video and Color Night Vision. Or see less with a manual Privacy Cover that turns off your cam until you need it next. Plus, capture every moment, nonstop, with 24/7 Recording.\* Ring Home Premium subscription required, sold separately.

### Features

- 360° Horizontal Pan Coverage: Pan 360° around your home and tilt up and down from your phone.
- Live View: See and respond to activity with Live View.
- Two-Way Talk: Get real-time audio with Two-Way Talk from anywhere.
- HD Video: Get a clearer picture of the details that matter with HD Video.
- 24/7 Recording: All day. Every day. Capture every moment, nonstop. Your 24/7 footage is saved for up to 14 days, so you don't miss a thing. Ring Home Premium subscription required, sold separately.
- Easy DIY Install: Just plug and place to secure any space.
- Manual Privacy Cover: Turn off your camera and mic with the manual Privacy Cover, then reactivate with a simple swivel.
- Person Alerts: Get smarter alerts that know the difference between people and other motion events (subscription required, sold separately).
- Real-Time Notifications: Stay in the know with real-time notifications on your phone and tablet.
- Record all your videos, review what you missed for up to 180 days, get Person Alerts, use Smart Video Search to help you find that one moment in all your motion events, and more, with an eligible Ring Home Plan (subscription sold separately).
- Link with other Ring devices: Connect select Ring devices in the Ring App to see and control them all from a single dashboard.
