

CAT6 Keystone Jack (25 Pack) - White

6KSCWH25

SKU: 147108 UPC: 6KSCWH25

The Cat6 RJ45 Coupler is a female-to-female RJ45 Connector and an ideal solution for coupling two patch cords together and can extend to longer cable run. This provides convenience to avoid terminating or punching down the UTP wires.

Features

- Ideal for extending network cables
- Compatibility with CAT5E & CAT6 cables
- Snap-in keystone style, RJ-45-to-RJ-45 connections
- Accepts standard keystone port opening
- Component-rated performance

Standards & Compliances

- UL Listed
- RoHs
- TAA Compliant
