

Combination Radial Stripper

VDV110-295

SKU: 16292 UPC: 92644690983

Klein Tools Combination Radial Stripper works on both twisted pair and coaxial cables. The precision, high-carbon steel blades automatically adjust to twisted pair cable diameters and won't damage internal conductors. Consistent cuts won't nick the inner sheaths. Klein's exclusive sliding depth gauge pre-measures coax cable for fast, accurate and repeatable stripping every time.

Features

- Easily and cleanly strips both coaxial and twisted-pair cable including RG59, RG6/6Q, CAT3, CAT5 and CAT6 sizes
- Precision high-carbon steel blades automatically adjust to twisted pair cable diameters; won't damage internal conductors
- Easy debris clean-out
- Finger loop for smooth, easy rotation
- Premium tool features a slide depth gauge to pre-measure coax cable for quick, precise and repeatable 5/16-Inch (7.9 mm) and 1/4-Inch (6.4 mm) strips
- Additional external blade in a structured design allows user to slit wire jacket for mid-span access or to open lengthwise
- Also works with with RG6Q quad shield (dual shield) cable
- Always wear approved eye protection.
- Read carefully and understand instructions before using this tool.

Type: Radial Stripper Application: Cable Preparation Cable Type: RG59, RG66/6Q, CAT3, CAT5/5e, CAT6/6A Levels: Coaxial: 2, Twisted Pair :1 Strip Dimensions: Coaxial, 0.3125" and 0.250" (7.94 and 6.35") Twisted Pair : Variable
