

IQ Remote 7" Secondary Tablet for IQ Panel 2

QW9104-840

SKU: 23650 UPC: 857497008145

The IQ Remote is a secondary tablet that pairs with the IQ Panel 2 Plus. Not only does it provide a way to arm and disarm your IQ Panel 2 Plus and see sensor status, but it gives you the features you don't get in your mobile app like chimes, emergency panics, and a siren. The IQ Remote can be upgraded over the air as new software upgrades are released.

Features

- 7" touchscreen for an easy, consistent experience
- Today's weather with 4-day forecast
- Photoframe screensaver
- Full Z-Wave Control (Lights, locks, thermostats, garage doors, etc)
- Built-in panel 5 MP camera with disarm photos
- Over the air software updates keeps your IQ Remote updated with the latest features
- Chimes mirror the IQ Panel to let you know when doors or windows open, or doorbell rings
- Emergency panic (police, fire, medical) easily accessible from the home screen
- Pair up to three using IQ Panel Access Point or Home Network
- Wall mount, table stand, and power supply included
- The IQ Remote connects with the IQ Panel 2 Plus and IQ Panel 2 on software version 2.3.0 or higher
