

Door Kit Two-Door Prox Access Control Panel

ATLAS200-2

SKU: 24964

Two-door Atlas Prox Series Access Control panel is designed & engineered in the U.S. Atlas panels are fast & simple to install because they require no software. Instead, the panels have an embedded full-featured access control web application. Atlas panels also use minimal wiring because they support both Power over Ethernet (PoE) and Wi-Fi communication. There are 3 options when ordering Atlas panels: 1) individual panels can be ordered as spares or replacements; 2) as part of a "bundle" (including a metal enclosure & power supply) or 3) as part of a "kit" (including a bundle, prox card readers, prox card enrollment reader, prox cards and request to exit buttons).
