F-Conn Keystone Insert (10 Pack) - White

K3411

SKU: 2943

Karbon A/V F Type F/F Keystone -10 PK K3411:

The non-flexing design of the Karbon A/V AnyPort Decorator Outlet provides security when plugging and unplugging cables. Steel threaded inserts with recessed hex design to reduce spin for faceplate mounting and easy leveling to compensate for off-center boxes .

Features

- Recessed hex nut does not allow jack rotation
- Outlets mount in Installation Brackets or low voltage mud rings
- Snap-in identification icons available
- Fits decorator-style faceplates
- Recessed hex nut does not allow jack rotation
- Extra long for easy connections
- Recessed hex nut does not allow jack rotation
