

4-Door Kit:

ATLAS460-4

SKU: 30175

ZKTEKO Biometric Access Control Panel ATLAS460-4 DOOR KIT No software required. Built-in web application provides advanced access control features including User Enrollment & Management, Door Control & Monitoring, Lockdown, Reporting, Maps, Anti-Passback, First-Card Opening, Multi-Card Opening, Card Design, and Duress PINs. Choice of Readers Atlas Series supports any 3rd-party readers which communicate with Wiegand or OSDP communication protocols. Four-door Atlas Bio Series Access Control panel is designed & engineered in the U. S. Atlas panels are fast & simple to install because they require no software. Instead, the panels have an embedded full-featured access control web application. Atlas panels also use minimal wiring because they support both Power over Ethernet (PoE) and Wi-Fi communication. Atlas Bio Series Access Control panels support biometric readers, including fingerprint recognition. There are 3 options when ordering Atlas panels: 1) individual panels can be ordered as spares or replacements; 2) as part of a "bundle" (including a metal enclosure & power supply) or 3) as part of a "kit" (including a bundle, fingerprint readers, fingerprint enrollment reader and request to exit buttons). Fast & Simple Installation: Access control panels require NO software. Panels support PoE and Wi-Fi communication. Built-in web application supports up to 84 doors. Advanced access control features include User Enrollment & Management, Door Control & Monitoring, Lockdown, Reporting, Maps, Anti-Passback and more. Panels support both Wiegand and OSDP prox card readers. Atlas 60 Series panels store & match up to 5,000 fingerprints & card holders (use ZK TECO FR1500A fingerprint readers). Mobile app available for device and user management.
