

#8 x 3/4" Phillips Pan Head Self Drilling  
Screw

TEKPH834

SKU: 12523    UPC: 781002174158

8 x 3/4 in. Self drilling phillips pan head screws drill a hole and tap threads in one operation. The drilling operation removes metal and can be used with heavier gauge metals. Length is determined from the base of the fastener head.
