2-Gang Decor Wallplate - White

K3482

SKU: 3010

Karbon A/V Decor Wallplate with Dual Porst:

Karbon A/V's Switches are high-quality, durable with a sleek low-profile design allowing them to flow smoothly with your walls. The added versatility of dual wiring options allow connection at the rear push-ins or the side terminals. Installation becomes a breeze, thanks to the advanced Karbon A/V design. Durable materials ensure long lasting good looks, and with the smooth finish clean-up is quick and easy.

Features

- Dual-porst plate
- Mounts flush against the wall
- Compatible with any standard keystone jack
- Fits standard gang boxes
- Lifetime warranty
