

6.5" All Purpose Performance Speaker

IC-610

SKU: 22388 UPC: 612935000000

The IC-610 is an all-purpose listening speaker and is designed with an integrated one-piece baffle/woofer basket for enhanced rigidity and a deep bass sound. The perfect choice for multi-room audio applications, the IC-610 incorporates advanced features not typically found in a speaker at this price point, from the inverted parabolic surround to the pivoting tweeter (up to 15°) which allows for precise direction of the critical mid-range and higher frequency sounds, you'll love the way these speakers perform.

Features

- Designed for background listening applications
- Pin-Cushion, EasyGrip design for one-handed install
- Integrated one-piece baffle/woofer basket design for enhanced rigidity and more efficient bass
- Paintable edgeless grilles blend seamlessly into any Dacor
- Powerful neodymium grille magnets for easy and secure attachment
