

## Shielded Cat 5e/6 External Ground Connector (50 Pack)

202022 J

SKU: 25110    UPC: 849160000000

Platinum Tools Shielded Cat 5e/6 External Ground Connector, Pack of 50 202022 J.

Combining the performance exclusive to the EZ-RJ45 design with the advantages inherent to shielded products for a unparalleled solution. In applications where NEXT, FEXT and AXT are an issue, using shielded products can be the solution. Designed to work on both Cat5e and Cat6 cables, solid or stranded.

### Features

- For use with CAT5e/6+ shielded cable
- For solid round or stranded wire cables.
- Max Cable OD: 7.11mm (0.280"),
- Max Insulated wire OD: 1.016mm (0.040")
- UL Rated, FCC compliant
- TAA Compliant

Specifications: EZ-RJ45 design allows the wires to pass through the connector so the twists in each pair can be pulled closer to the contacts than conventional plugs. Maintaining the twists to the point of termination significantly decreases crosstalk and markedly increases performance. Fully shielded products provide reduced pair-to-pair crosstalk, alien crosstalk, and considerably improved immunity to noise at all frequencies. Significantly improve Shannon capacity. Substantially improve noise immunity at all frequencies, especially above 30 MHz when cable balance starts to significantly degrade. Category 6 performance per EIA/TIA B.2. FCC compliant, UL rated. RoHS compliant Max Cable OD: 6.60mm (0.260"), Max Insulated wire OD: 1.016mm (0.040") For solid round or stranded wire cables. Made in the USA TAA Compliant
