Single Gang Jack Plate Blank - White

K3472

SKU: 2999

A 1-port Keystone Jack Wall Plate that creates a clean finish for in-wall wiring projects: The Karbon A/V Network Solutions 1-Outlet Keystone Wall Plate adds a professional touch to your network-wiring installation. Once you™ve successfully wired a standard, single-gang wall box, this faceplate quickly mounts to it, providing a clean, simple design that perfectly fits the standard keystone jack. This flush-mount faceplate offers subtle completeness to the overall look of any room, whether at work or home, to create a polished, well-designed atmosphere that fits your purpose.

Features

- Single-outlet plate
- Mounts flush against the wall
- Compatible with any standard keystone jack
- Fits standard gang boxes
- Lifetime warranty
