Single Gang Decor Wallplate - White

K3481

SKU: 3009

Karbon A/V Decor Wallplate Single Gang K3481:

Karbon A/V's Switches are high-quality, durable with a sleek low-profile design allowing them to flow smoothly with your walls. The added versatility of dual wiring options allow connection at the rear push-ins or the side terminals. Installation becomes a breeze, thanks to the advanced Karbon A/V design. Durable materials ensure long lasting good looks, and with the smooth finish clean-up is quick and easy.
