

## SmartMount Universal Portrait Tilt Wall Mount for 46" to 90" Displays (Security Screws)

STP680

SKU: 59911    UPC: 735029000000

Peerless-AV's SmartMount® Universal Portrait Tilt Wall Mount delivers an ultra-slim profile designed to hold large displays up to 350lb. Installation and maintenance are made easy with the STP680's robust feature set. Auto-latching adaptor rails automatically secure the display without the use of a tool. The mount's built-in kickstand holds the display safely from the wall during cable routing, while the open wall plate allows for increased electrical and cable management options. Horizontal and vertical display adjustments allow for quick fine-tuning of the mounted display.

### Features

- Universal mount fits displays with mounting patterns up to 455 x 650mm (17.91" W x 25.59" H)
- Adjustable up to 15° of forward tilt and -5° of backward tilt for the optimal viewing angle
- Optional IncreLok feature offers fixed tilt angles of -5°, 0°, 5°, 10°, 15°
- Easy-Grip ratcheting handle locks the display into place
- Easy hang wall plate allows a bolt to be pre-installed to ease wall plate installation
- Lateral display adjustment up to 1.63" (41mm)
- 1" of post-installation vertical adjustment provides flexibility in the installation
- Includes fastener pack with all necessary mounting and display attachment hardware (including M10)
