## Mic Level Ceiling Microphone

SS-801

SKU: 140285

The SS-801 is an omni-directional mic level microphone for indoor use. When paired with select IP cameras supporting "mic in" audio, the SS-801 does not require 12V power.

The SS-801 picks up sounds from approximately 12 feet away in all directions. Its enclosure surface mounts onto ceilings or walls with no exposed screws or connectors.

### Features

- Omni-directional pickup pattern
- Compatible with IP Cameras Supporting "Mic In" Audio
- Mic level output
- Made In America
