

## USB 2.0 Over Category 5e/6 Cable Extender

280339

SKU: 17943    UPC: 741835000000

### PRODUCT OVERVIEW:

The **USB 2.0 Over Cat 5e/6 Cable Extender** from **Vanco** lets you extend the distance of up to four USB 2.0 devices from a single device over a Cat 5e/6 cable. It's ideal for USB printers, digital cameras, keyboards, mice, and any other USB devices you may have in mind. A 5V power supply is also included to help provide additional power to connected devices should they need it. Since it adheres to USB 2.0 standards, it supports a max data transfer rate of 480 Mb/s.
