Single Gang Decora Brush Plate - White

K6216

SKU: 16313

Karbon A/V's Electronics' patented Brush Plate Dacor Insert is used to install low voltage cables behind your HDTV, amplifier, or other audio or video devices. The Brush Plate Dacor Insert is designed to be installed into a low voltage mounting bracket that is installed into the wall.

Features

- Perfect for HDTV and home theater connections
- Clean appearance for cables, matches any home Dacor
- Runs cables cleanly and neatly through the wall for home theater applications
- Low profile design fits behind the industry's thinnest mounts and TVs
- Conceal multiple low voltage cables behind your flat panel TV
- Easily holds up to 6 cables
- Mounts flush with a Dacor style wall plate
- Mounts to a standard low voltage mounting ring, old work ring, or mud ring
