WiFi Wireless Router

GA00157-US

SKU: 14386 UPC: 842776000000

Seamlessly cover your entire home in Wi-Fi with Google WiFi Wireless Router.

This expandable wireless network operates using mesh networking technology giving you the ability to place additional nodes in locations where Wi-Fi connectivity may be weak or non-existent. Once installed users benefit from Google Network Assistant which ensures you receive a fast wireless connection while the Google Wifi app gives you the ability to manage various aspects of the network.

Google Wifi operates on both the 2.4 GHz and 5 GHz frequencies along with support for 802.11a/b/g/n/ac Wi-Fi network standards. Each node features AC1200 2x2 Wave 2 Wi-Fi along with TX Beamforming technology offering enhanced wireless connections for multiple devices. In addition to Wi-Fi connectivity, Google Wifi supports Bluetooth Smart Ready technology making it easy to connect a variety of Bluetooth devices directly to the network. If a wired connection is needed Google Wifi comes equipped with two Gigabit Ethernet ports that can be configured to support WAN or LAN connectivity.

Room-to-Room Connectivity

Get fast Wi-Fi in every room, on every device. Replace your router with one or more Google Wifi points to cover your home in reliable Wi-Fi.

How Many Wi-Fi Points Do You Need?

If you have a smaller home, up to 1500 sq. ft., start with a single point. Add on if you need more coverage.

Do What You Love Anywhere in Your House

Google Wifi can handle multiple devices, so you can stream in the living room and bedroom while someone games in the basement, without a battle for bandwidth.

Super-Smart Wi-Fi

Google Wifi has Network Assist technology that works behind the scenes to avoid Wi-Fi congestion. It also transitions you to the closest point for the fastest signal and offers helpful insights to get the most out of your Wi-Fi.

Easily Control Your Network

Through the Google Wifi app, it's a breeze to share your password with guests, prioritize devices on your network, and more.

Pause Wi-Fi for Family Time

With the Google Wifi app, you can pause the Internet on your kids' devices at bedtime or during homework hours.

Features

- 802.11a/b/g/n/ac Wi-Fi Standards
- Dual-Band 2.4 GHz/5 GHz Frequencies

- AC1200 2x2 Wave 2 Wi-Fi
- 2 x Gigabit Ethernet Ports
- TX Beamforming
- Bluetooth Smart Ready
- WPA2-PSK Encryption
- Automatic Security Updates
- 512MB RAM / 4GB Flash Storage
- 710 MHz Quad-Core CPU

Ports 2 x Gigabit Ethernet ports per point Ports can be configured as WAN or LAN Wi-Fi Wi-Fi 5 (802.11ac) Color :White Ports 2 x RJ45 Gigabit Ethernet Material Lightweight, durable plastic Security WPA2-PSK Automatic security updates Infineon SLB 9615 trusted platform module MU-MIMO Support 2 x 2 Beamforming Support Yes Memory Memory: 512 MB DDR3L Storage: 4 GB eMMC flash Processor Quad-core CPU, each core up to 710 MHz Wireless Security WPA-PSK, WPA2, WPA2-PSK Power Consumption: 9 W Power Adapter: 15 W Bluetooth Yes
