

## Contact Sensor 2 Pack

4XD3S7-0EN0

SKU: 17222    UPC: 842861000000

Making sure your home and business are safe is always a top priority. Add these contact sensors to your security system to receive real-time alerts when a window or door is unexpectedly opened. The Alarm Contact Sensor connects to your Alarm Base Station and easily mounts to any door or window frame in your home. It sends you mobile alerts whenever your doors or windows open, so you'll always be the first to know when something's ajar.
