POWER

18-Channel 30A CCTV Power Supply

K9589

SKU: 20386

Karbon A/V K9589 Power Supply

Thermal Cutoffs Protection (TCO): each output has independent PTC fuse and LED indicator, when problem occurs, only affect the independent output, other outputs still working.

Short circuit protection: when short condition occurs, independent PTC fuse will open the circuit, when condition removed, PTC fuse will automatically back to close.

High voltage protection: when high voltage occurs, the surge protection will be hit through to protect the connected device.

Over Current protection: when over current occurs, the power supply will automatically switch to self-protection status, when condition removed, then switch back to normal.

Features

- Input Voltage 100-240V AC, Auto Switch
- Input Voltage Frequency 50/60Hz
- Output Voltage 12V DC +/-5%
- Total Output Current 30A
- Total Outputs 18
- Fuse Type : PTC (Resettable) Never need to replace.
- Fuse Rating 2.5A

Specifications: Size: 30A CCTV Power Supply 18CH Channel Port Box Input Voltage: AC 100-240V, Auto Switch Input Voltage Frequency: 50/60Hz Output Voltage: DC 12V +/-5% Total Output Current: 30A Total Outputs: 18 Fuse Type: PTC (Resettable) Never need to replace Fuse Rating: 2.5A Specialty Thermal Cutoffs Protection (TCO): each output has independent PTC fuse and LED indicator, when problem occurs, only affect the independent output, other outputs still working. Short circuit protection: when short condition occurs, independent PTC fuse will open the circuit, when condition removed, PTC fuse will automatically back to close. High voltage protection: when high voltage occurs, the surge protection will be hit through to protect the connected device. Over Current protection: when over current occurs, the power supply will automatically switch to self-protection status, when condition removed, then switch back to normal.
