

## Cat5E Shielded Connector-10/Clamshell

106183C

SKU: 25113

The clamshell 10-pack RJ45 Shielded Crimp-On Ethernet Connector from Platinum Tools is built with hi-lo stagger design to isolate each conductor at the point of termination, the result being a performance beyond enhanced CAT5e. The internal channels make it quick and easy to prepare for termination without using any extra pieces.

### Features

- 8 x Conductor Shielded Internal Ground
- Enhanced Performance
- 24 AWG
- 3-Prong Contact for Solid Conductors
- For Round Solid Wire
- Round Stranded available
- Gold Plated Contacts

Specifications: Length Conductors OD Range: 0.034 to 0.039" (0.860 to 0.990 mm); Contact: 0.012" (0.300 mm); Maximum OD Cable Jacket: 0.260" (6.604 mm) Material Contact: Phosphor bronze; Plug: Polycarbonate UL94-V2 Contact Plating Gold 50 $\frac{1}{4}$  Operating Temperature -40 to 158°F (-40 to 70°C) Flammability Rating of UL94V-2 Compliance Plug Tolerances/Dims: F.C.C. requirements RoHS and UL Package Weight 0.1 lb Box Dimensions (LxWxH) 4.6 x 2.3 x 1"
