

SONOS

Era 300 Wall Mount (Single, Black)

E30MTWW1BLK

SKU: 159960 UPC: 840136805229

*Save space and elevate your speaker placement for better acoustics with this **Sonos Era 300 Wall Mount**. This single mount in black features a sleek, low-profile design that takes nothing away from the appearance of the Era 300. If table or shelf space is at a premium, this is an ideal option that offers the additional benefit of reducing acoustic reflections and minimizing vibration. Also, with a ball-and-socket joint that can swivel up, down, left, or right by 15°, you can easily direct audio to suit your space.*

Works with Sonos Adapters If you need to use the optional Sonos Line-In Adapter or Sonos Combo Adapter, a full 2.5" of wall clearance is provided to accommodate their connection.
