Neptune Universal Dust Cover

ACCD-DC553

SKU: 131185 UPC: 735029000000

The Neptune Universal Dust Cover is designed to protect your outdoor TV from outside elements for long periods of time, such as dust, rain, and snow. The durable, yet lightweight cover material and Velcro fasteners allow for easy installation and removal. Keep your outdoor TV investment protected from the elements with the weather-resistant Neptune Universal Dust Cover.

Features

- Compatible with all outdoor TV brands
- Form-fitting design for full exterior coverage of the outdoor TV
- Easy on and off with Velcro fasteners
- Water, UV, wind, and fade resistant
- Made of sturdy and durable polyester with PVC vinyl backing on the interior
- For use with freestanding or mounted TVs
- Includes rear-center panel opening to manage cabling around mounts and stands
- Remote accessory pouch located on the back (for storage of outdoor-rated products only)
- Note: Do not operate your TV with the cover on as this may cause your TV to overheat
