Specifications Monitor your property with the EKI-K82T46B 8-Channel 8MP NVR with 2TB HDD & 6 4MP Night Vision Turret Cameras Kit from Hikvision. This NVR enables you to record from and manage up to 8 cameras. It is equipped with a SATA port that supports an HDD up to 6TB (2TB preinstalled). H.265+, H.265, H.264+, H.264, and MPEG-4 video codecs keep file sizes manageable while maintaining the best quality possible. Two-way audio communication is supported. The included black turret cameras capture 2560 x 1440 resolution video at 20 fps from a 2.8mm fixed lens that delivers a 100° horizontal field of view. The cameras have a night vision range up to 100'. They are rated IP67 for outdoor use.
