

SealSmart RG-59 Coax Stripper

15023C

SKU: 38598 UPC: 899740000000

Fast, accurate stripping right out of the box. Each SealSmart Coax Stripper is pre-set at the factory for a specific coax cable size and strip length. We offer three color coded strippers to strip the most popular coax sizes/types used in home automation wiring & CATV cabling. The color codes coordinate with SealSmart Compression Connector color codes to reduce set up time and eliminate mistakes.

Features

- Color-coded for cable type (Red for RG-59), same as our SealSmart connectors.
- 2 level strip.
- No adjustments required.
