SmartMount Universal Flat Mount for 39"-75" Displays (Security Screws)

SF650

SKU: 19487 UPC: 735029000000

Features

- Included universal mounting bracket, compatible with mounting patterns up to 742mm x 433mm.
- An ultra-slim wall plate, holding your screen only 1.68" from the wall for minimal mount visibility.
- Optional integrated security hardware.
- Heavy gauge steel construction.
- Up to 8" of post-installation, horizontal adjustment.
- Scratch-resistant, fused epoxy finish, available in black.
- Pre-assembled shipping for quick and easy installation.
- Multiple universal mounting brackets to accommodate screens with a built-in curve or rear component box.
- Peerless's unique "Sorted-for-You" fastener pack, which includes all necessary hardware and security fasteners for concrete, cinderblock or dual wood stud mounting.
