

Russound

6.5" Enhanced Performance Speaker

IC-620

SKU: 22390 UPC: 612935000000

The IC-620 is the perfect choice for using in all of the primary listening areas of the home. From the kitchen to the living room to the master bedroom, the IC-620 is a speaker that you'll spend hours and hours listening to. The injection-molded polypropylene cone gives detailed bass response and the 1" pivoting silk tweeter can be aimed at your favorite listening spot. The integrated one-piece baffle / woofer basket adds enhanced rigidity and complements the deep bass sound. The IC-620 is acoustically matched to the IC-820 so you can mix and match between the two sizes as needed. Use the IC-620 in smaller rooms and the IC-820 in larger rooms or rooms with higher ceilings. The IC-620 uses the patented SwiftLock by Swarm tool-less installation system which lets the speaker be installed quickly and easily with the simple press of a button at each of the three mounting dogs.

Features

- The perfect choice for all primary listening areas of the home
- Swiftlock tool-less quick and easy installation
- Integrated one-piece baffle / woofer basket design for enhanced rigidity and more efficient bass
- Paintable edgeless grilles blend seamlessly into any Dacor
- Powerful neodymium grille magnets for easy and secure attachment
